## Informant's Recovery Program

April 2000

If you have any questions about this program, or information to provide, please call Audit Division Headquarters toll free at 1-800-531-5441, ext. 3-3900. In Austin call 512/463-3900.

The mailing address is: Informant's Recovery Program; Comptroller of Public Accounts; Audit Division Headquarters; 111 E. 17th Street; Austin, Texas 78774.

The Texas Legislature authorized the Texas Comptroller of Public Accounts to contract for information about state money or property the state may be legally entitled to recover.

You may contract with the State Comptroller if you are not a state or federal employee and if you derived the information independently of the state or federal government or its employees.

### Contract

If the State Comptroller enters into a contract with you to provide information, the contract must be signed by both you and the Comptroller, and it must be executed in Austin, Texas. You must use your full legal name and give your social security number. The contract must be executed in advance of any audit or investigation by the Comptroller.

### Confidentiality

Your identity will be kept in the strictest confidence allowed under Texas law. The Comptroller also is prohibited from disclosing any confidential information to you.

### How the Program Works

If you have information to provide, you must contact Audit Division Headquarters. After

this initial contact, you may be asked to come to Austin to provide your detailed information and to sign a contract. If the contract is approved, the account will be investigated, and the results evaluated. Payment will then be made in proportion to the value of the information you furnished.

## Information You Must Provide

You must provide details including, but not limited to:

- the taxpayer's name and address;
- the accounting issues and specific accounts involved;
- when and how the information was obtained;
- any records that were hidden, not produced, substituted, and/or misrepresented during an audit or when tax returns were filed; and
- documentation to support your claim.

## Amount of Payment

The statute limits the total payment to 5 percent of the state revenue recovered. Payments will not be made on recovery amounts of less than \$2000.

Payments may not be paid until the recovery of the state funds on which the applicant's payment is contingent are complete and uncontested.
